TEAMWORK

STICK2GETHER

THE SHOW

Join TEAM T&J for 50 minutes of **interactive, action-oriented, energetic music and discovery.**

Our **message** is loud and clear! (Literally)

Our performance is not about props and a big set. It's about being present and available to ourselves and to one another.

“
*You will leave feeling **inspired, motivated, focused** and more **united and energized** than you've felt in a long time!*
”

TEAM T&J is not just another school presentation.

It is an **interactive journey** of **self-exploration, creativity** and **participation** that encourages students to **see and feel** what it means to come together and **STICK2GETHER!**

It is a hands-on, action-oriented, **character building** show for **JK-6 or JK-3 / 4-6**

THE VALUES

WE SHOW YOU WHAT IT LOOKS LIKE TO BE TRUE TO WHO YOU ARE WHILE COMING TOGETHER AS A TEAM!

Improve yourself, improve the team!

*Throughout, children will understand it takes **courage** to express **feelings**, ask for help, and know when to offer it.*

It's not about where you place, it's about getting in the race!

*Stimulate your **body and mind**, ready to think outside the box.*

It's about the journey, not the destination.

*Discover your **identity** and build **self-esteem**. It's never too late, and it's always better late than never. The sky's the limit!*

There's no "I" in TEAM, but there is a "U N I" in UNIVERSE & UNITY.

*Together we discover how our **differences bind us**, the gravity of how we are all connected and **STICK2GETHER**; from foods, things, friends and family, to our planet and the solar system, **we are not one without the other**.*

We discuss how we each have something unique to offer, our connection to the environment and each other, as well as our responsibilities in working together to make the world a better place.
